

**CONGRESSIONAL BUDGET OFFICE
PAY-AS-YOU-GO ESTIMATE**

July 29, 1999

H.R. 66

**An act to preserve the cultural resources of the Route 66 corridor and to
authorize the Secretary of the Interior to provide assistance**

As cleared by the Congress on July 27, 1999

H.R. 66 would direct the Secretary of the Interior to create a program for preserving the Route 66 corridor. For that purpose, the act would authorize the National Park Service to accept donations, conduct research, make grants, execute cost-sharing agreements, and provide technical assistance to nonfederal parties. Because any donations collected by the agency would constitute federal revenues, pay-as-you-go procedures would apply to the legislation. CBO estimates, however, that any amounts collected would be insignificant.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.
